Taking into account the conformation of culture as an Organism of the Central Administration of the State, it must be stated that until 1970 there was no structure as such of culture in this territory, although a disorganized structure of the Movement existed sporadically. of Amateur Artists. In the year 1971 the National Council of Culture CNC was constituted, in the municipality a Delegate of the National Council of Culture was appointed who was subordinate to the Local Power, an uprising was carried out in the three territories that gave the following result: 22 typical amateur groups , 1 trio led by Nene Guzmán, 1 theater group in Dos Brazos and 1 theater group in Pozo Azul, also had 2 Creole guitars and 1 paila.

In March 1977 the Municipal Culture Directorate was created. Starting in 1980, under the guidance of our Commander-in-Chief, the program began that each municipality must achieve cultural institutions, where the municipality strongly welcomed this task. In 1982 the Cultural Module was built, which begins with an Art Gallery and a Store of Cultural Goods; in October but del983 the construction of the
